

Dear Parents,

We are very excited to announce that the **Grade 1 students will be performing at our OSPS Tuesday Assembly on 16th May**, next week!

All of Grade 1 have been magnificent as they have performed for Grandparents Day and Fete. Now it's their time to shine once again as they perform for the whole school.

Please arrive a little earlier to school so all Grade 1 students can begin walking over to the hall at 8.45 am ready for a short rehearsal before the assembly starts.

Bring your cameras and the students will sing for you at the end of assembly too!

Kind regards,

Naomi Marsh & Grade 1 Teachers
