

Building Community Relationships

In Term 2 we will be continuing our community program with residents at Sapphire Care Oakleigh. We received lots of positive feedback from the residents after our visits in Term 1. It was wonderful to see so many students engaging with the residents and chatting about their interests.

As mentioned on our previous notice, intergenerational relationships are a great way for children to gain a sense of history and build a mutual sense of belonging as active members of their community. It is a brilliant opportunity for the residents to connect with the younger generation.

Our program will continue to run each Friday morning from 9.00am until approximately 10.30am. Weather permitting, we will be walking to the Sapphire facility a short distance from school (1055 Centre Rd, Oakleigh South). Our class dates are as follows:
