This year, similar to last year, children will be able to compete in 50m and 25m events. To attend this day, your child must be able to competently swim at least 25m. This day is the basis for selection of the 2018 District Squad, so make sure your child shows his/her potential, particularly in 50m events, as the squad is based on these results. Plus, 50m events earn double points for your House! The District Squad will train and participate in trials at Oakleigh Pool early 2018. The team for the District Swimming Sports will be selected from the squad.

Novelty Events will not be held this year, children not actively participating in the Swimming Sports will be required to attend school as normal. Because the Grade 6 children will not be at OSPS next year to qualify for the District Swimming Sports, they will compete only against Grade 6 children, regardless of their age group.

To enable us to create a basic timetable, book busses and work out costs etc, we ask that you return the form below. A timetable of events will be sent home closer to the carnival day.

Parents are welcome to attend and watch the House Swimming. If you are able to assist on the day, please indicate on the attached sheet also.
