

21/11/17

Dear Grade 2 Parents,

Due to the warm weather over the next few days, we ask that you bring your child to the grade 4 building at 6:00pm rather than 5:30pm on the night of their performance. Parents will not be able to enter the building as we want this experience to be a surprise for you.

Please ensure your child has had a chance to rest, have dinner and a good amount of water. They do not need to come to school in their school uniform unless they are in choir.

Students performing need to bring a plastic bag for their casual clothes, a small snack and a drink bottle for before the show.

If you have any questions please do not hesitate to talk to or e-mail your child's classroom teacher.

Regards,

The Production Team
