

THE COLOUR FACTORY

Dear Parents,

The final week has nearly arrived. A few more chances to fix up all the details, and then our big nights will be upon us. So, here is some info to keep you informed.

Clothes to Wear: If your child's character is a tiger could they please wear light or nude coloured underwear as the material is quite light. If they are an animal could they please come dressed with a white coloured singlet as this will be used underneath their costumes. Light coloured underwear would also be advised for everyone. Girls to have their hair in 2 low plaits so we can attach the headwear.

Choir to be dressed in full school uniform.

All children to bring a plastic bag with their name clearly on it to put their clothes in.

IMPORTANT: All children are welcome and encouraged to attend all 3 nights if they wish. They may be dropped off and sit with the choir. They can then be picked up from the choir area straight after the show.

Tuesday night - 21st November

Cast 1 - arrive at school at: 5:30pm (no earlier).

Please take the children straight to Grade 4 classrooms.

Girls - 4LB Boys - 4AM

Because of limited space, and great excitement, all parents will be asked to leave their child at this point.

Cast 3 (choir) - arrive at school at: 6:40pm

Please take your child to the hall.

All Nights

There will be plenty of chaotic photo opportunities after the performance, so you can take costume and cast photos, after the play has finished.

Choir may leave with their families after the show, but the performing cast will return to the classroom to change. Once they are dressed, they can be collected, from the classroom by parents.

LOLLIES - Lollies will be for sale before each show. We kindly ask that these are not eaten before the show. Parents, please keep these for your child for afterwards.

It is a very busy time of year at school, even without a production, so we please ask for your understanding if we have overlooked an important detail. We think we have covered most of the questions, if you have any others, please ask one of us, and hopefully we can answer them!!!

Thanks for your support and understanding. It is a wonderful experience for all the students, and we hope you enjoy it as well!

Regards,

Sue, Geoff, Kelly, Michelle, Nick, Megan, Siobhan, Jackie, Natalie and Vanessa
