As part of our Swimming and Water Safety Program at Monash Sport, on Thursday October 19, our students will participate in Water Safety lessons. They will perform simulated water survival activities to replicate real life aquatic scenarios. Students will need to bring **an extra t-shirt and shorts** to wear over their bathers. Preferably they will not be wearing goggles during their lesson but students can still bring them to the pool in case.

Thanking you,

**Erik Albers**
