Village Mall Fete Roster

Dear Parents

The fete is only 10 days away! Thank you to all those who already have their names on the roster and to all those who have helped with the plants, making jams etc. All help is much appreciated.

Our biggest concern at this stage is the number of unfilled timeslots on the stall roster. The roster is on display in the alcove opposite 3JP's room. Please add your name to it or return the slip below with a time preference if you haven't already done so. We will then send the roster home this time next week – hopefully full.

Jobs leading up to fete day - can you help? We have :

- strawberries and other plants in need of repotting - see Mr Wilde , Mrs Dwyer or Mrs Kearney
- pots to decorate with stones and clip ons
- labels to attach to worm wee bottles – see Mr Kerr
- lemons to be made into lemon butter (Mrs Presnell and Miss Smith have jars)
Please see one of them if you can make up some lemon butter or jam at home .

We will also need help to :

- begin the mall set up on the afternoon of Friday 5th
- pick up fruit and veg from Alexanders' Fruit Market in Oakleigh on Friday 5th
