

Year 3 Parent Bulletin 14th March 2018

Dear Parents

3JS & 3MW

Unfortunately Jenny Smith, teacher of 3JS has had a fall at home and has fractured two vertebrae. She will be away recuperating for quite some time. Mrs Maria Tsiounamis, who was to be taking 3MW for Murray Wilde's leave, has been moved across to 3JS. 3MW is being taken by another long time O.S.P.S. teacher and now CRT – Mrs Jan Wells. Both replacement teachers are very familiar with the village routine and year level expectations so you can rest assured that your children are in good hands.

Chicks

We are keeping eight of the seventeen female chicks to raise in the village which means we now have nine chicks for sale at \$5.00 each. If you would like to take some you will need to have a coop and run and be prepared to have a light for chicks to sleep under for another few weeks. They will start laying at the end of July and they make wonderful pets. If you are interested please contact Julie Kearney in the village - email Kearney.julianne.j@edumail.vic.gov.au

We would like them to be taken before the Easter school holidays.

This notice will be in this week's newsletter to the whole school so if there are any interested year 3 families please get in touch a.s.a.p.

Fete

We are collecting pottery pots, containers and planters suitable for small succulents . Please send your donations to the village .

Newspapers and cans

Thank you for your donations to date – please keep them coming.

Are you able to help ?

We have a lot of plants to pot up for sale at the fete. The kids did a great job striking cuttings last year and now we would love some help. If there are any year 3 parents who can lend a hand for an hour or two of a morning please see Julie Kearney or Diane Dwyer.

Pot pick up from Chelsea Heights

Is there anyone who could pick up a number (will fit in a large boot) of pottery pots for us? SMS Julie Kearney if you are able to help.

The Year 3 Team
