Dear Parents/Guardians,

This year students in Grade 3 will be learning to play a woodwind instrument, the Recorder during their Music class. Recorders will continue to be learnt in Grades 4, 5 and 6. When played properly, the Recorder is a beautifully sounding instrument. Through learning the Recorder students will be learning and exploring notation and musical concepts such as beat, rhythm, pitch and tempo. Recorders can be purchased via the school for \$11, alternatively you can purchase your own descant/soprano recorder from a music store such as Pats Music. We would advise against purchasing a recorder from a \$2 shop as the quality will not be great. These recorders are not tuneful and squeak over time.

Your child will also require a named display book with plastic pockets to keep their sheet music in. These can be found at supermarkets, \$2 shops, newsagencies, Officeworks and other stationary stockists.

Please order your recorder on QKR!

Or please e-mail Lemone by Friday 16th February (meyer.lemone.m@edumail.vic.gov.au) if you already have a recorder or will purchase your own, so that we can account for all children in year 3 and orders can be placed for new recorders.

Kind Regards,
Lemone Meyer and Sue Thompson
