Robyn Steel has volunteered to be our Costume and Prop Co-ordinator – HUGE Thanks! We are hoping to meet with as many of our volunteers as possible after school on Wednesday, 15<sup>th</sup> March. If you cannot make this meeting we completely understand and will ensure you remain informed about the requirements of your selected task/s.

Costuming and prop preparation can be done in your own time at home, or sometimes there may be a group of parents/ friends / relatives who will work at school together during school hours. Many hands lighten the load, so please don't hesitate to tick what skill areas suit you.

Thanking You in anticipation of your assistance

Year 4 Team.
