Dear Parents,

As part of this terms unit of work, 'Inventions that Changed the World', the Year 4 students are investigating components that are combined to create movement, such as gears and pulleys. To support this investigation students will have the opportunity to participate in the incursion 'Craft Power'.

'Craft Power' is an incursion that will be conducted at school. This incursion introduces students to the art of woodworking and each child will construct a mini billy-cart that will be powered by a friction gearbox. The session will be 1.5 hours.
