

OSPS CODE CLUB – EXPRESSIONS OF INTEREST

Oakleigh South Primary is very excited to continue the opportunity for Year 5 students to partake in 'Code Club' in 2017! The set framework is focussed on providing students with extended computer skills, particularly in coding and programming. The volunteer and teacher led program will happen through weekly workshops **every Friday lunchtime from 1-1.50pm**. Students must be fully committed to attending the program on a weekly basis for the whole year, and are expected to continue the program into Year 6.

Please note, all students will continue to do weekly ICT lessons in class, focussed on important computer skills such as Microsoft Word, PowerPoint and Excel. They will also be exposed to coding concepts, with the assistance of Code Club students.

To be considered, please fill in the slip below and return to your teacher by **Friday the 17th of March**.

Thank you,

Evert Eykman & Matt Barker

NAME			CLASS	
COMPUTER EXPERIENCE	Microsoft Word	Yes / No	PowerPoint	Yes / No
	Microsoft Excel	Yes / No	Scratch	Yes / No
	Other
