Dear parents,

With our unit of study on 'Natural Disasters', the children will be taking part in an excursion to both IMAX and Melbourne Museum. They will be journeying to the Royal Exhibition Building workshop, and their time at this venue will include:

- a visit to Australia's largest cinema screen to see 'Forces of Nature'; a film that focuses in on the forces that helped create life on our green planet and that can also destroy it. (rated G)
- touring inside the Melbourne Museum to see exhibits like 'Dynamic Earth' and the 'Forest Gallery', which will help cultivate the children's understanding of our planet and develop their knowledge of Science and Geography concepts.

Regards,
Year 5 Team
