With National Science Week fast approaching, and our unit of study focussing on the human body, the children will be participating in a workshop run by 'Mad About Science in Schools'. Each class will have a 90 minute session of hands on fun, which will involve: experimenting, stretching imaginations and inspiring the children's interest in Science.

The workshop will be held at Oakleigh South Primary School, is based on our unit 'The Human Body' and includes:

- investigations into lung capacity and breathing
- chemical experiments to understand digestion and digestive processes
- tests on reaction speeds to learn about the nervous system
- and lots, lots more...

Thanking you,
Year 5 Teachers

OSPS uses an app called QKR! as our preferred payment method for accepting payments from parents. It is a quick and easy to down load and learn. QKR! Payments are child specific – please ensure you have selected the correct child before finalising a payment. Please visit the OSPS website for instructions and further information
