As part of their final year in primary school at Oakleigh South, the grade six children are given the opportunity to purchase a special top which has a list of all grade six students printed on the back. For our class of 2018 we have decided to introduce a rugby top which will have a list of all students name on the back instead of on the polo shirt. We are also introducing a new design of polo shirts, these will simply have **OSPS Class of 2018** on the back **not a list of student names**.

The cut and fabric for the polo is the same as this year’s shirt, however the design will change for 2018. The rugby image is visible on QKR when you make your payment. These tops can be worn as part of the year 6 uniform.

NOTE: Students will be sized at school for their Year 6 polo with sample tops provided by PSW.

Once the school order has been placed with the manufacturers, **no late orders** will be taken. The company has specified that once their order is placed, **no additional orders can be added**. The tops have been tailor designed for our school. It is important we place the order as quickly as possible as it can take up to 8 weeks for the tops to be made and names screen printed on the back.
