Well done to the Year 6 Committee for all the fundraising you have conducted this year to cover the costs of the Production T-Shirt, Peter Pan Photos, Graduation Photos and the Year Book.

Cathy Middleton, who is a professional photographer, has photographed the Peter Pan Dress rehearsals and will be taking photographs of the children at Graduation between 5.45 - 6.15pm! So make sure your child arrives on time!

She has set up a download portal from her website so that Year 6 families can download for FREE the Peter Pan photographs. The graduation photos will be available from the same link.

There is also an option to purchase high quality prints if you chose, printed in a professional lab. Available to purchase from \$5.00 for 5 x 7.

A reminder that parents are not to share the link or password please. The photographs that you download are for personal use only. They are **NOT** to be published on any social media (unless it is a single portrait shot of your child without any other students) or that you have the permission from the other parents in the photograph.
