## **BUTTON HOLES**

Due to a production fault, some button holes on the rugby jumpers are fraying. Primary School Wear have advised us that they will restitch any jumpers that need attention over the Easter School Holidays. If you would like your child's button holes to be restitched – please wash and send in the jumper during this last week of term to your class teacher. Please ensure that the jumper is clearly named. We expect to have the jumpers back during the first week of Term 2.

## **SIZING**

School Council are aware there are still some concerns about the sizing of rugby jumpers. If the length or width (or both) is a concern to you at this present time, please e-mail your concern to [cantlon.ron.r@edumail.vic.gov.au](mailto:cantlon.ron.r@edumail.vic.gov.au) by Thursday 29<sup>th</sup> March so that we can determine a remedial course of action if possible.

Thank you,

Ron Cantlon
