

OSP & Year One Grandparent's Day!

As part of our Term 1 Integrated Studies topic, *Time After Time*, the Year Ones will be celebrating our annual Grandparent's Day on **Tuesday 12th March**. Students are so excited to welcome their grandparents into their classrooms and show off their fabulous work.

Grandparent's Day will be held from **11.30am-1.00pm**. Please meet us at our **Year 1 classrooms** where we'll spend some time sharing stories and doing fun activities together. At 12.15pm, we'll move across to the hall for a special singing performance! Grandparents will also be invited to share refreshments and finger food in the hall foyer.

We hope lots of grandparents and "grand-friends" are able to join us on this special day! Friends/neighbours etc. are most welcome.

Please indicate below the number of special guests that will be attending for your child and return the slip to your child's classroom teacher by Wednesday 6th March.

We can't wait!
