

Saturday 4th May 2019 10am - 4pm

TALENT QUEST

We will be having a Talent Quest again this year at the Fete. Students of all ages and abilities are encouraged to get up on stage and sing, dance or act, solo or in a group. We will be performing outdoors on the platform in front of the school office this year; and sharing the stage with other guest performers and groups.

This popular activity is being run by the Music captains together with Mrs Wilkinson. To enter your child or a group of children into the talent quest, please e-mail the name of the children performing, grades and the title of their performance to music teacher Elaine Wilkinson by Monday 29th April.

wilkinson.elaine.n@edumail.vic.gov.au

You will receive a timetable via e-mail of when your child is performing on Fete day.

DUNKING MACHINE

The dunking machine will be running at the OSPS Fete. Grade 6AR is running this stall again. A popular Fete attraction, are you willing to sit on the dunking machine for 15 minutes to help support the school Fete?

Only adults can nominate to sit on the dunking machine and can bring a towel and spare pair of clothes on the day. Shower facilities will be made available to change.

Mr Rowe will be featuring on the dunking machine, so keep an eye out for the timetable to see what time you can have a go at sinking Mr Rowe into the drink! A time table will be circulated prior to the Fete to confirm times.

Time slots are every 15 minutes starting from 10am.

Please e-mail Mr Rowe if you are available!
