

Dear Year 1 Parents/Guardians,

Oakleigh South Primary School is looking forward to another great year of teaching and learning and would like to advise you of Oakleigh South Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to the functioning of the school. The facilities and the programs we can offer your children due to these contributions has a significant impact of the success and enjoyment of your children's education.

Curriculum Contributions, Other Contributions and Extra-Curricular Items and Activities are in the tables below. Slight amendments may be necessary as the year progresses however, as with previous years, these will be kept to a minimum. These items are detailed below and consist of an individual book pack, consumable items per curriculum area, 1 to 1 ICT device co contribution and online learning subscriptions. *Note: prices do not include GST.*

Within our school this support has allowed us to deliver a strong literacy and numeracy program while providing quality programs in other areas such as STEM, Arts, Japanese, Sports and Sustainability initiatives in line with the school's strategic plan.

Outlined in the following document are curriculum contributions, voluntary contributions and an indication of extra curricular activities for 2023 as approved by School Council

In order to ensure that all students have access to high quality teaching and learning materials we bulk purchase items free of GST on parents' behalf. This minimises costs – as the school does not have to pay for GST - and ensures that all students at each year level have access to the same quality of materials. However, should you prefer to buy your own stationery, please email Joanne Chapple – joanne.chapple@education.vic.gov.au for a list of the exact items by brand and style required by **close of business on Friday 4th November 2022. A Compass will be sent to all parents who request this information on Wednesday 9th November 2022.**

For a confidential discussion about accessing any of the payment services listed on the last page, or if you would like to discuss alternative payment arrangements, please contact via 9570 1016 or via e-mail
