VISION

Oakleigh South Primary School's vision is for each child to become a happy and confident person, well equipped for the challenges of life-long learning, contributing to the society in which they live and be able to achieve their full academic, creative and social potential. At the heart of Oakleigh South Primary School's educational philosophy is the firm belief that all students can become successful learners and that there are no predetermined limits to what students can accomplish at any age.

MISSION

Oakleigh South Primary School's community works collaboratively and shares common goals, values and beliefs about the best way to support children and families on their educational path.

We encourage respectful, collaborative relationships between children, families, the school, communities and educators, with our common focus being the child. We value an inclusive, supportive and caring environment where children, families and educators come together as a community of learners. We provide support to each child to promote their health and wellbeing through a spirit of warmth and respect underpinned by a commitment to social justice.

We respect and celebrate the culture and diversity within our community and beyond. We support the individual needs of our children to develop the view that learning is fun, exploratory and exciting.

A broad range of materials, activities, approaches and interconnected learning experiences encourages each child to discover and develop their own strengths. Students are also taught to recognise those areas where they may need assistance or practise to master required skills and content.

Our school philosophy includes a firm commitment to ensuring child safety and wellbeing and ensuring that our school meets all the requirements of the Child Safe Standards.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.
