

Dear Year 4 2025 Parents/Guardians,

Oakleigh South Primary School is looking forward to another great year of teaching and learning and would like to advise you of Oakleigh South Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to the functioning of the school. The facilities and the programs we can offer your children due to these contributions has a significant impact on the success and enjoyment of your children's education.

Curriculum Contributions, Other Contributions and Extra-Curricular Items and Activities are in the tables below. Slight amendments may be necessary as the year progresses however, as with previous years, these will be kept to a minimum. These items are detailed below and consist of an individual book pack, consumable items per curriculum area, 1 to 1 ICT device co contribution and online learning subscriptions. *Note: prices do not include GST.* 

Within our school this support has allowed us to deliver a strong literacy and numeracy program while providing quality programs in other areas such as STEM, Arts, Japanese, Sports and Sustainability initiatives in line with the school's strategic plan.

Outlined in the following document are curriculum contributions, voluntary contributions and an indication of extra curricular activities for 2025 as approved by School Council

In order to ensure that all students have access to high quality teaching and learning materials we bulk purchase items free of GST on parents' behalf. This minimises costs — as the school does not have to pay for GST - and ensures that all students at each year level have access to the same quality of materials. However, should you prefer to buy your own stationery, please email Joanne Chapple — <u>joanne.chapple@education.vic.gov.au</u> for a list of the exact items by brand and style required by **close of business on Friday 1**st **November 2024. A Compass will be sent to all parents who request this information on Wednesday 6<sup>th</sup> November 2024.** 

For a confidential discussion about accessing any of the payment services listed on the last page, or if you would like to discuss alternative payment arrangements, please contact via 9570 1016 or via e-mail

Principal Ron Cantlon <u>oakleigh.south.ps@education.vic.gov.au</u>
Business Manager Joanne Chapple <u>joanne.chapple@education.vic.gov.au</u>

# Library Fund Contributions 2024 Impact of Library fund contributions for 2024.

In 2024 we collected the following Library Fund donations: \$18,921.00

In 2024 the Library Fund Donation contributed to the following: - Supporting AR, MyOn, classroom reading as well as constantly update and adding to the current library resources. It also covered the costs of replacing lost and damaged books.

## **School Saving Bonus 2025**

In 2025 each family will receive the School Saving Bonus of \$400.00 per child who attends a Victorian Government School.

This money can be used towards 2025 school costs, which may include the following:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks

Eligible families who have more than one child at the same school can combine their School Saving Bonus to use on one child, or for a specific school activity.

For example, a family with 3 eligible children will receive support to the value of \$1,200 and the family can choose how they spend their School Saving Bonus for approved school expenses.

Please keep an eye out for further information on our website and via Compass notifications.

## **Financial Support for families**

Oakleigh South Primary School Understands that some families may experience financial difficulty and offers a range of support options, including:

## **Payment Plan**

Oakleigh South Primary School offers a number of payment plan options, payment plans can be arranged for payment for Extra-Curricular Items and Activities only.

- Equal monthly payments (over 10 months)
- Quarterly payments paid each term in 2025
- Or by arrangement with our Business Manager

## **CSEF (Camps, Sports and Excursions Fund)**

Families holding a valid means-tested concession card or temporary foster parents are eligible for CSEF payments. Applications for the CSEF will be available from the school office. Payments are made directly to the school and are attached to individual students.

For a confidential discussion about accessing any of the above services, or if you would like to discuss alternative payment arrangements, please contact via 9570 1016 or via e-mail

## PARENT PAYMENTS POLICY

### **ONE PAGE OVERVIEW**

#### **FREE INSTRUCTION**

- Schools provide students with free instruction and ensure students have free access to all
  items, activities and services that are used by the school to fulfil the requirements of the
  Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education
  (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

### **PARENT PAYMENT REQUESTS**

Schools can request contributions from parents under three categories:

#### **Curriculum Contributions**

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

# Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

# Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

 Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

#### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### **SCHOOL PROCESSES**

 Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
