

Dear Year 1 2026 Parents/Guardians,

Oakleigh South Primary School is looking forward to another great year of teaching and learning and would like to advise you of Oakleigh South Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to the functioning of the school. The facilities and the programs we can offer your children due to these contributions has a significant impact on the success and enjoyment of your children's education.

Curriculum Contributions, Other Contributions and Extra-Curricular Items and Activities are in the tables below. Slight amendments may be necessary as the year progresses however, as with previous years, these will be kept to a minimum. These items are detailed below and consist of an individual book pack, consumable items per curriculum area, 1 to 1 ICT device co contribution and online learning subscriptions. *Note: prices do not include GST.*

Within our school this support has allowed us to deliver a strong literacy and numeracy program while providing quality programs in other areas such as STEM, Arts, Japanese, Sports and Sustainability initiatives in line with the school's strategic plan.

Outlined in the following document are curriculum contributions, voluntary contributions and an indication of extra curricular activities for 2026 as approved by School Council

In order to ensure that all students have access to high quality teaching and learning materials we bulk purchase items free of GST on parents' behalf. This minimises costs – as the school does not have to pay for GST - and ensures that all students at each year level have access to the same quality of materials. However, should you prefer to buy your own stationery, please email Joanne Chapple – joanne.chapple@education.vic.gov.au for a list of the exact items by brand and style required by **close of business on Friday 31st October 2025. A Compass will be sent to all parents who request this information on Wednesday 5th November 2025.**

For a confidential discussion about accessing any of the payment services listed on the last page, or if you would like to discuss alternative payment arrangements, please contact via 9570 1016 or via e-mail

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

For further advice or support in implementing the Parent Payments Policy in your school, please contact the School Operations and Governance Unit (SOGU) at parent.payments@education.vic.gov.au

- Schools can invite parents to purchase camps or excursions on a user-pays basis if:
 - it is not required for students to meet Curriculum outcomes in the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major or the Victorian Pathways Certificate, or
 - there is a free alternative activity provided to meet Curriculum outcomes.
- Camps or excursions provided on a user-pays basis can still be linked to curriculum-based learning but must be categorised in Extra-Curricular Items and Activities.
- Schools can ask parents to pay for the costs of a user-pays camp or excursion, including transport, food, entry, accommodation (for students and teachers), and supporting casual relief teachers (during its operation, either on or off the school premises).
- Schools cannot ask parents to pay for the salaries of Department teaching staff attending a camp or excursion provided on a user-pays basis.
- Schools can invoice families for camps and excursions provided on a user-pays basis.
- Schools should help families facing financial hardship to purchase these camps or excursions.

REQUESTING CONTRIBUTIONS FOR OTHER CAMPS AND EXCURSIONS

- Schools may request Curriculum Contributions towards the costs of camps and excursions that are required by all students to meet Curriculum outcomes.
- Each school determines whether a camp or excursion is required by all students to meet Curriculum outcomes based on their local context.
- Schools cannot deny student access to a camp or excursion on the basis of Curriculum Contributions not being made.

COMMUNICATION REQUIREMENTS
