

OAKLEIGH SOUTH PRIMARY SCHOOL FACEBOOK PAGES

A message from our volunteer parent run face book groups.

Hello OSPS Families,

There are 2 OSPS pages to like, anyone in the community can like these pages. 8 private facebook groups have been set up for each year level at OSPS, then an all in OSPS All Grades Notice Board. Here are the descriptions and guidelines. The links are at the bottom of the page, please request to join if you have not already done so.

Regards, Facebook Parent Volunteer Moderators

This group has been set up by parents for parents - in particular those of us who may need the occasional reminder about dress up days and other important events.

We encourage all members to post freely but please remember to keep it friendly and polite. This group is the perfect place for the sharing of information, asking of questions, reminders, pats on the back, tasteful humour and general discussion about school life. Respectful, positive, relevant and on-topic conversation is welcomed.

Moderators do reserve the right to remove any posts considered to breach the purpose of this page without notice. Moderators have checked that existing and new members are parents or guardians of children in this year level. When joining, you will be asked to verify your children and class by message to the moderator.

These groups are all inclusive, blocking other members and then posting or commenting will be considered disrespectful.

Please keep in mind this is not an official OSPS group and content is not moderated or endorsed by the school. However OSPS supports the description and rules set on this page as appropriate governance of a parent facebook group.

If you have any concerns about an incident, your child, staff or the school, we encourage you to contact your classroom teacher, year level team leader, an assistant principal or the principal by phone, in person or via e-mail (staff e-mail contact details can be found on the website under the 'parent' tab).

If you have any concerns about this facebook group, please contact your friendly moderator.

OSPS WEBSITE is a wealth of information notices, newsletters, calendar and more!
