

OSPS Year One Grandparents Day!

As part of our Term 1 Integrated Studies topic, *Time After Time*, the Year Ones will be celebrating our annual Grandparent's Day on **Monday 19th March** *this date has been updated on the school calendar. Students are so excited to welcome their grandparents into their classrooms and show off their fabulous work.

Grandparent's Day will be held from **11.30am-1.00pm**. Please meet us at our Year One classrooms where we'll spend some time sharing stories and doing fun activities together. At 12.15pm we'll move across to the hall for an exclusive performance! Grandparents will also be invited to share refreshments and finger food in the hall foyer.

We hope lots of grandparents and "grand-friends" are able to join us on this special day! Family friends/neighbours etc. are most welcome.

Please indicate below the number of special guests that will be attending from your family and return the slip to your child's classroom teacher by Wednesday 14th March.

We can't wait!

Year 1 teachers & students

Year One Grandparent's Day

Student's Name: _____ Grade _____
