### Birthdays

If your child is celebrating a birthday you are more than welcome to bring along some treats or a birthday cake to share with the rest of the class. However, please be aware that some students have allergies so please see your child's classroom teacher before bringing food in.

### Parent Representative

If you are interested in being a Class Rep, please see your classroom teacher. Class Reps are usually in charge of creating a parent contact list, organising any parent get togethers and whole class events outside of school.

### Late Arrival & Student Absence

If your child is late for school please make sure you go to the office BEFORE you come to the classroom to obtain a Sign In slip. Any time after 9.15am is considered late. Furthermore, written notification (email or note) is required for all student absences, either in advance or after your child has been away. If you are picking your child up early from school, please sign them out at the office and bring the Sign Out slip to your child's teacher.

### Reminders

- Please encourage your child to be independent by carrying their own bags and preparing themselves for the school day.
- Please use the outside doors to enter and exit the classrooms (2JD are to use the end door near the Junior Music Room).
- Shoes need to be changed as soon as your child enters the classroom.
- Students will need to bring an art smock, library bag and a box of tissues to school if they haven't already.
- Please ensure that ALL of your child's belongings are clearly named.

It is important that students are reading each night, accessing Reading Eggspress and Mathletics. This ensures that students are revising and practising what they have learnt at school.
