

OAKLEIGH SOUTH PRIMARY SCHOOL

YEAR 4 PHILLIP ISLAND CAMP 1 & 2

30/7/18

Dear Parents,

The excitement is building as our Phillip Island camp approaches. A final notice explaining the arrangements for camp, departure and return times has been sent out today, along with this notice.

At camp there is a small souvenir shop/kiosk. Children will be able to purchase souvenirs and small gifts etc, cheaper than the local retail prices.

The kiosk will be open during a free time session.

We have found children really enjoy this aspect of the camp and love bringing home a memento for themselves or family members.

This is completely an optional activity. If you wish for your child to participate, please send along money (up to \$20) in a clearly named, resealable zip lock bag to your child's class teacher by this **Friday, August 3**.

We will collect the money for safekeeping and distribute to children when they participate in this activity. Any change will be placed back into the bag, sealed and returned to the children on the return bus home or the week after, once back at school.

We will also take care of their purchases and return them to the children on the bus trip back to Oakleigh South P.S.

Regards,

Tony Muir, Anita Salems, Di Kassiotis, Geoff Zielin & Kirsten Brown
