MASS DANCE COSTUME UPDATE

12th July 2018

Once again, this year's Mass Dance Costumes for the State Schools Spectacular are all based around each student wearing black pants & shoes. These are fairly common/generic items in most wardrobes and as such we will not be supplying these items to schools.

Basically we don't mind what style of pants are worn; leggings / yoga / tracksuit / dance / harem .. Whatever works for your cast.

They do not all have to wear the same, just full length and **NO JEANS**.

Pants should be solid black

(no patterns/adornments/torn/faded)

Similarly for the shoes; clean, black shoes is the brief.. Cheap canvas styles from stores such as K Mart / Big W / Spendless etc are inexpensive options if they need to be purchased, but again we anticipate that most children will already own some. White soles are okay, if there is no other option, but please **AS BLACK AS POSSIBLE**, try to avoid logos, and if necessary swap laces for black. It goes without saying that **BLACK SOCKS** should be worn.

Please feel free to email me with any queries/concerns you may have regarding the above.
