Code Club

Code Club is a program that teaches children from the ground up how to write code for a computer.

Children partake in a weekly lesson facilitated by an expert in the field who is assisted by multiple teachers including Mr Eykman and Mr Barker.

Children learn to code using Scratch2, HTML and CSS and they begin looking at robotics using an mBot controlled by mBlock.

Code Club will start in Term 2, and all children to complete an expression of interest at the end of Term 1.

OSPS Fete

- ▶ Our biggest fundraiser for the year at OSPS is our school fete.
- ▶ This year the fete will be on Saturday 5th May. Each grade requires a fete co-ordinator. It is encouraged every parent helps out with their grades stall for just one hour on the day.
- ▶ If you would like to a part of the organising committee please see Nikki Virtuoso.

Classroom Cuisine

- ▶ Classroom cuisine provides options for two or three course lunches. Orders are to be made online at www.classroomcuisine.com.au and can be done until 8:30 am on the day lunch is required. The service is available every **Monday** and **Friday** only. Visit the site for further information at the office.
- ▶ Please note order cut off is at 8.30 am - no orders accepted afterwards.

School Newsletter & Tiqbiz

- ▶ The school newsletter will only be available to you via our school website. The website address is:
<http://oakleighsouthps.vic.edu.au/> then click on the school newsletters link. The previous ten newsletters will be available there.
- ▶ Have you joined Tiqbiz yet? If not, please download the free Tiqbiz app! It is the most efficient way for our school to send out important (and sometimes last minute) announcements.
- ▶ Tiqbiz is available on phones, iPads or tablets, laptops and desktop computers. Once you have joined simply look for Oakleigh South Primary School and access the Whole School tab as well as the Year 5 tab for specific notifications regarding our year level.

Ambulance Cover

- ▶ The school encourages all families to have ambulance cover, if ever there was a need for an ambulance to be called for your child.

OSPS Expectations

- ▶ Uniform/Jewellery
- ▶ School Rules
- ▶ Staff Car park
- ▶ Diaries
- ▶ Absences please provide a note
- ▶ Family holidays please inform class teacher
- ▶ Fitness Program
- ▶ Morning Arrival - 8.45am

Problems and Concerns

- ▶ Please come and see us regarding work concerns, everyday issues etc. Many issues can be investigated and smoothly resolved through parent/teacher communication.
 - Always bear in mind there may be more to a story than what your child has explained to you. Having an open mind is very helpful and ask yourself, ‘What hasn’t my child told me?’
 - Don’t let playground problems continue unresolved. Speak to your child’s teacher. We WILL follow up on any issues of concern.
 - Children will make mistakes in their behaviour. This is normal and part of being a child. Please support us to encourage positive behaviours in your child.
 - Encourage and expect your child to approach the teacher with any concerns first. We have asked the children to do this. We may be able to resolve the problem much faster. Your support in this is appreciated.
 - NOTE: Do not under any circumstances, directly approach other children in the yard to sort playground problems out. This is an extremely serious matter and always results in the situation becoming worse, rather than better.
 - PLEASE allow the teachers, year level co-ordinators, Assistant Principals or Ron Cantlon (Principal) to deal with such concerns.
