

Year 5 News – End of Year

Fun fact – The largest gold nugget in the world was found in Victoria in 1869. It weighed 2520 ounces and would be worth more than \$6 million dollars today.

Can you believe we have nearly reached the end of 2018 and our Year 5 are ready to move on to becoming the leaders of our school?! There are still a few exciting things to come so please read the Calendar Events and Reminders so you are aware of what's coming up. Thank you for all your support this year!!!

Calendar Events

11/12	Whole school transition
12/12	Leave for Camp. Please drop off your child/ren at normal time. Buses will leave at 9:30am sharp. *Please remember your child's backpack with their snack, lunch and water bottle for the first day.*

20/12	Final day of school and children meet their 2019 teacher. School finishes at 2:30pm.

Reminders for Camp

- Please check the list of things to bring on camp and check the weather to pack appropriate clothes for the three days.
- Children should be at school at normal time for camp. Their large baggage taken to the undercover area, ready to be placed under the bus then they check in with their teacher.
- Our arrival time back from camp is only an approximation. There will be a message sent via FlexiBuzz to confirm if we are running on time during Friday afternoon.
- Please remember any medications. Clearly name these.
- Also, clearly name all items the children will be taking on camp.
- No aerosols to be taken on camp!

Year 5 End of Year Party

On Tuesday 18th of December after recess, the Year 5's will be having their end of year party. The children are asked to contribute either a sweet or savoury food item for the day. Some popular savoury food options in the past have been party pies/sausage rolls/pizza/cocktail frankfurts/spring rolls. These items are just an idea and by some families providing items similar to these we don't end up with just chips and lollies on the day.

We will be having the party in our Year 5 area this year, which means we can easily organise the heating and refrigerating of food, so hopefully a nice selection of food should be on offer.

Children can bring a picnic blanket so they can set up their own area to enjoy the day.

Thank you,

The Year 5 Team
