'Seussical the Musical

Dear Parents,

On the reverse side of this note is the checklist we will be using for the Year 5 choir during the production. Please check what day and time your child will be required to attend the choir, and if there is a reason why you need a night changed to another night, or you would like your child to attend extra night/s, just email your classroom teacher or write a note in your child's diary and we will endeavour to make any necessary adjustments to the checklist.

We will also send out a note closer to the production dates with the final night allocations, after the any adjustments are made. This note will also contain the details of when and where the children will need to be dropped off and any other relevant information.

Finally, the entire school are now able to purchase tickets to 'Seussical the Musical', so if you are interested in buying tickets please type this URL into your browser:
