

7/6/18

Dear Spectacular Parents,

This year, all students are required to supply their own pair of black pants preferably with pockets as part of their costume will be stored in the pockets whilst they are performing.

They also require a pair of black shoes with a black sole.

At Hisense Arena, our change rooms are in an open space amongst other schools. If it would make students feel more comfortable, we recommend for them to wear a singlet underneath their costume for the quick changes. It is preferable that the singlet is white or skin coloured.

Students will be required to purchase a State School Spectacular t-shirt as part of their costume for the production. These will be provided at a cost price of \$20. Payment information below.

In previous years, hoodies have also been available for purchase and are a great memento of the students experience with the Spectacular. Please note, the hoodies are optional and are not required as part of the costume. Further information regarding the purchase of a hoodie will be given at a later date.

In summary, students require:

- Black pants with pockets
- Black shoes with black sole
- White or skin coloured singlet (optional)
- Spectacular T-shirt (\$20)
  
- OPTIONAL hoodie

Kind Regards,

Meg Corbett and Lemone Meyer
