

7th June 2018

THE VICTORIAN STATE SCHOOLS

SPECTACULAR

Dear Spectacular Parents,

Meg and I will be running another rehearsal these coming holidays. We still need a bit of practice and it's great for the students to refresh their memories.

Rehearsal will be on Wednesday 4th July, 10am-3pm, in the music room at the front of the school.

On this day, we will also be decorating t-shirts for one of the costumes. The students have full creative control of their t-shirt and we have encouraged them to start thinking about their own individual design.

The t-shirts and all materials have been supplied for the students. However, if your child would like to bring in their own embellishments or fabrics they are more than welcome.

Please provide your child with lunch and bottle of water to bring with them.

The excitement is starting to kick in with only one massed dance rehearsal left.

Please let us know either way if your child will or will not be attending the rehearsal these holidays.

Kind Regards,

Lemone and Meg
