Dear Parents,

As part of our school curriculum all Grade 6 students are required to participate in our Family Life Program. The program has been designed to help schools implement particular aspects of the health curriculum including the physical, social and emotional changes during puberty.

The approach is simple, straight forward and sensitive. The content of the sessions is age-specific and interactive, using a variety of audio-visual materials, discussion and games. The program respects and supports the role of the family in sexuality education.

Each class will have a total of three supervised sessions on the following dates:  
**October 9<sup>th</sup>, 12<sup>th</sup>, 19<sup>th</sup>, 23<sup>rd</sup>, 25<sup>th</sup> & 26<sup>th</sup>.**

Kind Regards,

Anthony Rowe, Catherine Sangster, Fiona Wells, Chris Roth & Sean Alston
