

# Seussical

7pm Mon 17<sup>th</sup> Sep    4pm Tue 18<sup>th</sup> Sep    7pm Wed 19<sup>th</sup> Sep    7pm Thu 20<sup>th</sup> Sep

Dear Parents,

The OSPS Production team is planning for the 2018 production of "Seussical". Nikki Virtuoso, is the Producer and she is supported by music teachers Elaine Wilkinson & Lemone Meyer and all the Year 6 staff. We hope your child is looking forward to performing in all 4 shows and ask that you fill in the attached note to confirm your child's availability for the 4 shows. Please also advise of any holidays or absences during the rehearsal lead up. There is also a holiday rehearsal during the first week of the school holidays Monday 2<sup>nd</sup> July.

The production team is also seeking volunteers and support from parents who will commit to helping us with various areas of the production. Each year parents, teachers and the wider community are astounded by the collective abilities of our students as showcased in our annual production. We ask that you read the volunteer job list below and please offer to help out. Please fill in the form and return it to your classroom teacher, or send an e-mail below to the Coordinator by Friday 15<sup>th</sup> June. Please feel free to help out in several areas if you can!

## COSTUMES

Custom made costumes will give the children a sense of validity and heighten their creative approach in their performances. They are an integral part of creating the atmosphere which our students can really shine and showcase their talents and expertise. Under the leadership of our costume coordinators, a large dynamic team of helpers is required. Costuming can be done in your own time at home, or sometimes there may be a group of parents who will sew at school together during school hours. Many hands lighten the load, please tick what skill areas suit you.

## SETS

The sets and backdrops provide the whole show with an atmosphere of a different world. They take the audience to places and spaces and set the scene. Under the leadership of the Set Coordinator, assisting with the following jobs will be of great benefit to the process. Undercoating, painting scenery in one block colour or set construction can be done anytime. Painting simple or complex scenery can be undertaken on any school day with the Set Coordinator during the day or after school at an organised time.
